**THE FOUR-WAY TEST**

The Four-Way Test is a convenient measuring stick for all human relations consisting of these four simple criteria:

- Of the things we think, say or do
- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

What is Rotary?

Rotary International is an international service organization whose purpose is to bring together business and professional leaders in order to provide humanitarian services, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. There are 35,000 clubs and over 1.2 million members world-wide.

We’ve been making history and bringing our world closer together for over 100 years. Since forming in 1905, we’ve taken on some of the world’s toughest challenges such as the eradication of polio and Alzheimer’s and helped a wide range of international and service organizations get started—from the UN to Easter Seals.

Our differing occupations, cultures, and countries give us a unique perspective. Our shared passion for service helps us accomplish the remarkable. We make a difference at home and around the world: Our members can be found in your community and across the globe.
